Poster presentations

1. Pinto A and Singh JA. Community engagement in microbicide trials. World AIDS Conference, Mexico City, Mexico, August 2008.

Other research activities

(Post-2005 only)

2005

1. Session chair: Global Forum for Bioethics: What happens when the research is over? Wellcome Trust Symposium, Malawi, March 2005.

2. Contributor: drafting of the Kampala Compact. 1st Workshop on the Global Bargain for Bio-security and Health, New York Academy of Sciences, New York, USA, November 2005.

4. Session chair: Addressing Social, Cultural and Ethical Issues in the Grand Challenges in Global Health Initiative, Bill and Melinda Gates Foundation, Seattle, USA, November 2005.

5. Session chair: Informed consent in genetic epidemiology malaria research, Gates Grand Challenges Project, Bamako, Mali, February 2006.

2006

1. Session chair: World AIDS Conference, Mexico City, Mexico, August 2006.

2007

1. Symposium organiser and session chair: Gates Foundation Grand Challenges in Global Health Initiative, Grand Challenge #9 meeting on socio-economic issues, Cape Town, South Africa, October 2007.

2009

1. Plenary session chair: South African National AIDS Conference, Durban, South Africa, April 2009.

2. Plenary session chair: World Health Organisation (WHO) meeting on research ethics in international epidemic response, WHO Headquarters, Geneva, Switzerland, June 2009.

3. Plenary session chair: An emergency public health response to the combined DR-TB and HIV-AIDS crisis in the Southern African region, MSF International Consultative Workshop. Manzini, Swaziland, October, 2009.
4. Panelist: Social, ethical, and cultural issues. 4th Annual Meeting of the Grand Challenges in Global Health Initiative (Bill and Melinda Gates Foundation), Arusha, Tanzania, October 2009.

2010

5. Plenary session chair: International Data Sharing Conference, Oxford University, Oxford University, UK, September 2010.

2011

6. Session chair. Bioethics Challenges in HIV/AIDS Research, NIH/NIAID/Division of AIDS, Bethesda, USA, October 31- November 1, 2011

2013.

7. Plenary session chair: 6th South African National AIDS Conference, Durban, South Africa, June 2013.
8. Workshop chair: HIV and access to critical care. 6th South African National AIDS Conference, Durban, South Africa, June 2013.

2014

9. Panelist: Micronutrient Forum Global Conference, Addis Ababa, Ethiopia, June 2014.

2015

10. Panelist: Columbia University ICAP symposium: Achieving Quality & Demonstrating Impact in Global HIV Programs, Vancouver, Canada, July 2015.
11. Panelist: AIDS Vaccine Advocacy Coalition (AVAC) Satellite meeting: Injectable Options and Preventable Confusion: an updated and interactive discussion on the pipeline of antibodies, long-acting ARVs and vaccines, International AIDS Society (IAS) Conference, Vancouver, Canada, July 2015.
12. Panelist: From Ideal to Real: Post-Trial Access, Expanded Access, and Use of Ancillary Treatments in Global Studies, Public Responsibility in Medicine and Research (PRIM&R) Annual Advancing Research Ethics Conference, Boston, USA, November 2015.

2016

13. Panelist: Are there modifications to the design of HOPE that would inform decisions about further support for the current dapivirine ring, and/or future microbicide product development (joined remotely). US NIH (DAIDS, NIAID) Consultation on ASPIRE/MTN-020 and HOPE/MTN-025, Rockville, Maryland, USA, March 2016.
14. Panelist: Roundtable Session: Bridging Biomedical Research and Social Sciences. Towards an HIV Cure Symposium, 21st International AIDS Conference, Durban, South Africa, July 2016.

15. Panelist: Understanding HIV Cure, Global Village Workshop, Towards an HIV Cure Symposium, International AIDS Conference, Durban, South Africa, July 2016.

2017

16. Session chair: Ensuring Efforts to Scale up, Strengthen and Sustain HIV Responses, Joep Lange Institute, Amsterdam, The Netherlands, September 2017.
17. Session chair of panel discussion: Regulatory/Ethics/Legal considerations in establishing standard of care in clinical trials. South African Medical Research Council Standard of Care in Clinical Research Summit, Cape Town, South Africa, November 2017.

2018

18. Panelist: The Faithful on Artificial Life Support and End of life. Critical Care Society of Southern Africa (CCSSA) Annual Congress, Durban, South Africa, August 2018.
19. Session co-chair: Enhancing uptake of Medical Male Circumcision: economic compensation. WHO Guideline Development Group on new and updated guidance on male circumcision for HIV prevention, Johannesburg, South Africa, November 2018.
20. Session co-chair: Enhancing uptake of Medical Male Circumcision: younger adolescents. WHO Guideline Development Group on new and updated guidance on male circumcision for HIV prevention, Johannesburg, South Africa, November 2018.
21. Panelist: Litigation in Research. 8th Annual ARESA Research Ethics Seminar, Cape Town, South Africa, April 2019.

Other creative endeavors

Participation in popular media / multi-media

2000

1. Durban, South Africa: Live radio interview: Medical Malpractice. *Legal-Online*: Radio Lotus: 8.30pm-10.00pm (July 04, 2000).
2. Durban, South Africa: Live radio interview: Euthanasia. *Legal-Online*: Radio Lotus: 8.30pm – 10.00pm, (August 01, 2000).

2002

3. Durban, South Africa: Pre-recorded radio interview: Human organ sales. *Newswatch*: East-Coast Radio: 12.30pm; 1.30pm; 2.30pm (August 13, 2002).

2004

4. Johannesburg, South Africa: Live television debate: Why reproductive human cloning should be permitted. *The Big Question*: SABC 2: 12pm-1pm, July 11, 2004.
5. Durban, South Africa: Newspaper interview: The importance of ethics in research: *Daily News*: July 23, 2004.

6. Durban, South Africa: Newspaper interview: The importance of ethics in research – *IsiZulu* translation: *Isolezwe*: July 26, 2004.

7. Durban, South Africa: Live radio interview: Confidentiality and disclosures in health care practice. *Medical Ethics*: Radio Al Ansar: 3-4pm, September 04, 2004.

2005

8. Durban/Johannesburg, South Africa: Radio interview on the patenting of human genes - ethical and legal implications: *SAFM*: 9-10pm, November 14, 2005.

2006

9. Toronto, Canada: Interview on the Grand Challenges in Global Health Initiative. *Research and Innovation at the University of Toronto*, Spring 2006: 7(2). Accessible: <http://www.research.utoronto.ca/edge/spring2006/1.html>

2007

9. Geneva, Switzerland: MSF webcast interview: XDR-TB: <http://www.msf.ch/index.php?id=892>: MSF Switzerland, Geneva, December 20, 2007.

2008

10. Durban, South Africa: Live radio interview: The ethics and legality of involuntary detention for non-compliant XDR-TB patients. *Radio 702*: 10.30-10.40am, January 17, 2008.

2009

11. Toronto, Canada: University of Toronto Joint Centre for Bioethics (JCB) seminar webcast: Researching XDR-TB: Ethical, Legal, Social and Cultural Challenges: <http://epresence.ehealthinnovation.org/epresence/1/watch/301.aspx?>: JCB, Toronto, February 11, 2009.

12. Durban, South Africa / Toronto, Canada: Recorded interview: Health research in developing countries: understanding the context. Yourprof Series: <https://www.yourprof.com/global-health-research-context/>: 27 October 2009.

2010

13. Johannesburg, South Africa: Live radio interview: Ethical and legal issues in relation to disposing with bodies of the deceased. *KayaFM*: 7-8pm, August 16, 2010.

2011

14. Durban, South Africa: Radio Interview: HIV Pre-Exposure prophylaxis. East Coast Radio Newswatch. 8 June 2011: 2.30pm.

<http://www.ecr.co.za/kagiso/content/en/east-coast-radio/east-coast-radio-podcasts?oid=1233979&sn=Detail&pid=5810&Newswatch-14h30-8Jun11>

and

11 June 2011: 11.30am
