 University of Toronto Research Ethics Board Retreat
 Global Health Challenges for the 21st century? What role for Research Ethics
 Global Health Equity Summit, Dalla Lana School of Public Health, University of Toronto
 Session on Politics, Privilege & Power: What really determines global health inequities?
 Belief systems & distortions of our values as dominant causes of inequities
 Department of Pediatrics, University of Toronto and Hospital for Sick Children, Toronto
 Health and Health care in South Africa: twenty years after Mandela

2015

The Hatter Award Lecture. Cardiology, Diabetes and Nephrology at the limits.
 Rationing health care: Defining the limits
 Joint Centre for Bioethics 20th Anniversary seminar series
 Beliefs, Value and Progress in the quest for improved global health
 College of Physicians and Surgeons of Newfoundland and Labrador
 Global health in crisis: what role for bioethics?

2016

Royal Society of South Africa. Cape Town
 The Crisis of Global Health: Elusive Progress
 Address at Academic Tribute to Dr Denis Daneman. Hospital for Sick Children
 Weighty ways around the world
 Keynote address Hamilton Integrated Research Ethics Board Annual Conference
 Resolving cross-cultural dilemmas in research ethics
 Keynote address CAREB Annual Conference Toronto
 Research ethics in a globalized world

2017

International Society of Obstetric Medicine
 Global Health Inequity

School of Public Health University of Cape Town
 The Crisis of Global Health
 Grand Rounds University of Cape Town
 Poverty, Economic Policy, Health and Social Justice
 David Kelley Lecture, Duquesne University, Pittsburgh, USA
 Bioethics and Health in Globalizing world
 Centre for Global Child Health, Hospital for Sick Children Toronto
 Global Health in a Changing World: Challenges and Choices
 Courage and Innovation: 50th Anniversary of 1st Heart Transplant. Cape Town
 The Forgotten Billions: the ethics questions

2018

South African Holocaust and Genocide Foundation, Cape Town.
 Exhibition Deadly Medicine: Creating the Master Race:
Ethical Challenges for Health Professionals: Yesterday, Today and Tomorrow
 Michael Garron Hospital Toronto
*Health & Health Care Services in South Africa & Canada:
 Some bi-directional lessons for reducing inequities*
