Director, Surveillance Transition, Health Protection Branch, Health Canada, 1998—2000 (Interchange from Queen's University)

Chief Medical Officer of Health and Director, Public Health Branch, Ontario Ministry of Health, 1997-98

Medical Officer of Health and Chief Executive Officer, Kingston, Frontenac and Lennox and Addington Health Unit, 1985-1997 (also Acting MOH, Hastings and Prince Edward Counties Health Unit, 1988-89; 1992)

Consultant, Maternal and Child Health Division, Public Health Branch, Department of Health, Government of Newfoundland, 1978-1984

Resident in Community Medicine, University of Toronto, 1982-83 (Field placement-Maternal and Child Health Division, Government of Newfoundland.)

Maternal and Child Health Program, School of Public Health, University of California, Berkeley, 1979-1980

Resident in Pediatrics: Janeway Child Health Centre/Memorial University of Newfoundland, Brooklyn Cumberland Medical Centre, Brooklyn, N.Y./S.U.N.Y., 1975-1978

Family Practice -Sydney, N.S., 1974-75

House Officer and Senior House Officer positions in infectious diseases, surgery, general medicine and accident and emergency, Scotland, 1972-74

Other courses taken

Zachman Institute for Framework Development. Implementing and Managing Enterprise Architecture, 2000

Project Management Centre. Introduction to Microsoft Project, 1999

Manageering Associates. Understanding Project Management, 1999

University of Minnesota. Epidemiology Summer School, 1983: 3 graduate credit courses:

- Infectious Disease Epidemiology
- Cancer Epidemiology
- Occupational/Environmental Epidemiology

Memorial University of Newfoundland. Micro-economics 1982.

Memorial University of Newfoundland. Epidemiology graduate course (audited) 1981.

Appointments Held

Professor (Adjunct), Faculty of Nursing, McMaster University, 2009-

Professor (Adjunct), Dalla Lana School of Public Health, University of Toronto, 2008-

Professor (Adjunct), Department of Epidemiology and Community Medicine, University of Ottawa, 2001-2008

Assistant Professor (Adjunct) 1985-98, and

Associate Professor (Adjunct), 1998- Department of Community Health & Epidemiology, Queen's University

Consulting Medical Staff, Hotel Dieu, Kingston General, Kingston Psychiatric and Lennox & Addington County General hospitals, 1986-98

Principal Investigator, Canadian Heart Health Initiative: Ontario Project, (CHHIOP), 1997-98

Assistant Professor (part-time), Division of Community Medicine and Behavioral Sciences, Faculty of Medicine, Memorial University of Newfoundland, 1983-85

Medical Staff, Dr. Charles A. Janeway Child Health Centre, St. John's, Newfoundland—1977-85

Medical Staff, Sydney General and St. Rita's Hospitals, Sydney, Nova Scotia—1974-75

Teaching

Queen's University

Faculty of Medicine, Department of Community Health and Epidemiology.

- Graduate course: 'Health Care 803' - Coordinator and Instructor, 1990-96
- Occasional lecturer 1997 -
- Graduate course: 'Epidemiology 801' - Occasional lecturer, 1985-96
- Medicine, phases 1 and 2. Occasional lecturer, 1985 -
- Critical enquiry course - instructor, 1987-88

School of Policy Studies

MPA Program, Health Specialization

- Coordinator/Instructor for: 'Health and Public Policy in Canada, PADM 810' 1989-96
- Coordinator/Instructor for: 'Health Promotion'
(One-time courses) 'Health Care System of the Future'
'Equity in Health Care Resource Allocation'
'Cost-Effectiveness in Health Care'

School of Rehabilitation Therapy:

- 'RHBS 800' Occasional lecturer 1991-98

Other occasional lectures/seminars:

- Family Medicine
- Nursing
- Physical Education

University of Ottawa

- Faculty of Medicine, Department of Epidemiology and Community Medicine. Graduate Health Care course. Occasional lectures/seminars 2004-2007
- Institute of Population Health. Graduate health care course. Occasional lectures/seminars 2004-2007

University of Toronto

- Faculty of Medicine/Dalla Lana School of Public Health; occasional lectures and seminars, community medicine and family medicine residency programs, MHS/MPH programs, Medicine (DOCH), Geography

Other

Occasional lectures/seminars:

- University of Calgary, community medicine residency program

- Humber College, Nursing

Supervision

Co-supervisor, M.Sc. theses, Department of Community Health & Epidemiology: (Queen's)

Feng Wang. A case-control study of risk factors for playground injuries among children in Kingston and region. 1997

Sally Stanton. A program evaluation: Was the implementation of the RPN caseload management program accompanied by changes in selected quality of care components? 1995

Ronald Dovell. Analysis of factors associated with a behavior change among retailers who sell cigarettes to minors. 1994

Robin Stadnyk. Service and hospital utilization by palliative care patients in a home-care setting. 1992

Sharmila Mhatre. Establishing baseline data on the utilization patterns of primary health care services in North Kingston residents. 1989

Karen Lichter. Health status, health behavior, and socioeconomic status: Greater Kingston area telephone survey. 1988

Also supervised:

Queen's: School of Policy Studies, MPA Program Major Projects (11)

Faculty of Medicine: Internal Medicine PGY4 Elective (1)

University of Toronto: Faculty of Medicine, Department of Public Health Sciences

- MHSc, practicum (2)

- Community medicine/Public Health and Preventive Medicine residents (10)

- Medical student elective

University of Calgary: - Medical student elective

Examiner for master's theses, Departments of Community Health & Epidemiology and Rehabilitation Therapy; doctoral thesis, Department of Psychology (Queen's)

Examiner: Community Medicine/Public Health and Preventive Medicine, Royal College of Physicians and Surgeons of Canada, 2009-

Mentor: Executive Training for Research Application (EXTRA), Canadian Health Services Research Foundation: Megan Ward 2008-2010, Monali Varia and Julie Stratton 2011-

Grants Received

Mowat D, Miro A, et al. Healthy Canada by Design (renewal) Coalitions Linking Action and Science for Prevention (CLASP). Canadian Partnership Against Cancer, 2012. \$1,500,000 over 2 years.
