MOONSHOT EVENT 2015

October 14, 2015

5:00pm - 9:00pm

Steam Whistle Brewing - The Roundhouse

255 Bremner Blvd., Toronto, ON M5V 3M9

Moonshot 2015 is IHPME's and IHPME Society of Graduates' signature networking and alumni recognition event, and a great way to unwind following *Health Quality Transformation 2015*.

Hosted By:

Adalsteinn Brown, IHPME Director, Joshua Tepper, HQO President and CEO and Jodeme Goldhar, Chief Strategy Officer at the Toronto CCAC and President of the IHPME Society of Graduates, will describe IHPME's continued leadership and success in improving Ontarians' healthcare.

Featuring:

Nick Barber, internationally-renowned UCL School of Pharmacy Professor, will deliver the keynote address on what Canada can learn from recent National Health Service changes in U.K.

Andre Picard, the Globe and Mail's public health reporter and one of Canada's top public policy journalists, will lead a Q&A with Professor Barber.
