One Week Prior

Two sessions

- 15 minutes
- Tues/Fri
- Answer Questions

Practice Zoom

- Mic
- Video
- Chat

Pre-recorded all lectures

BB Collaborate in Quercus

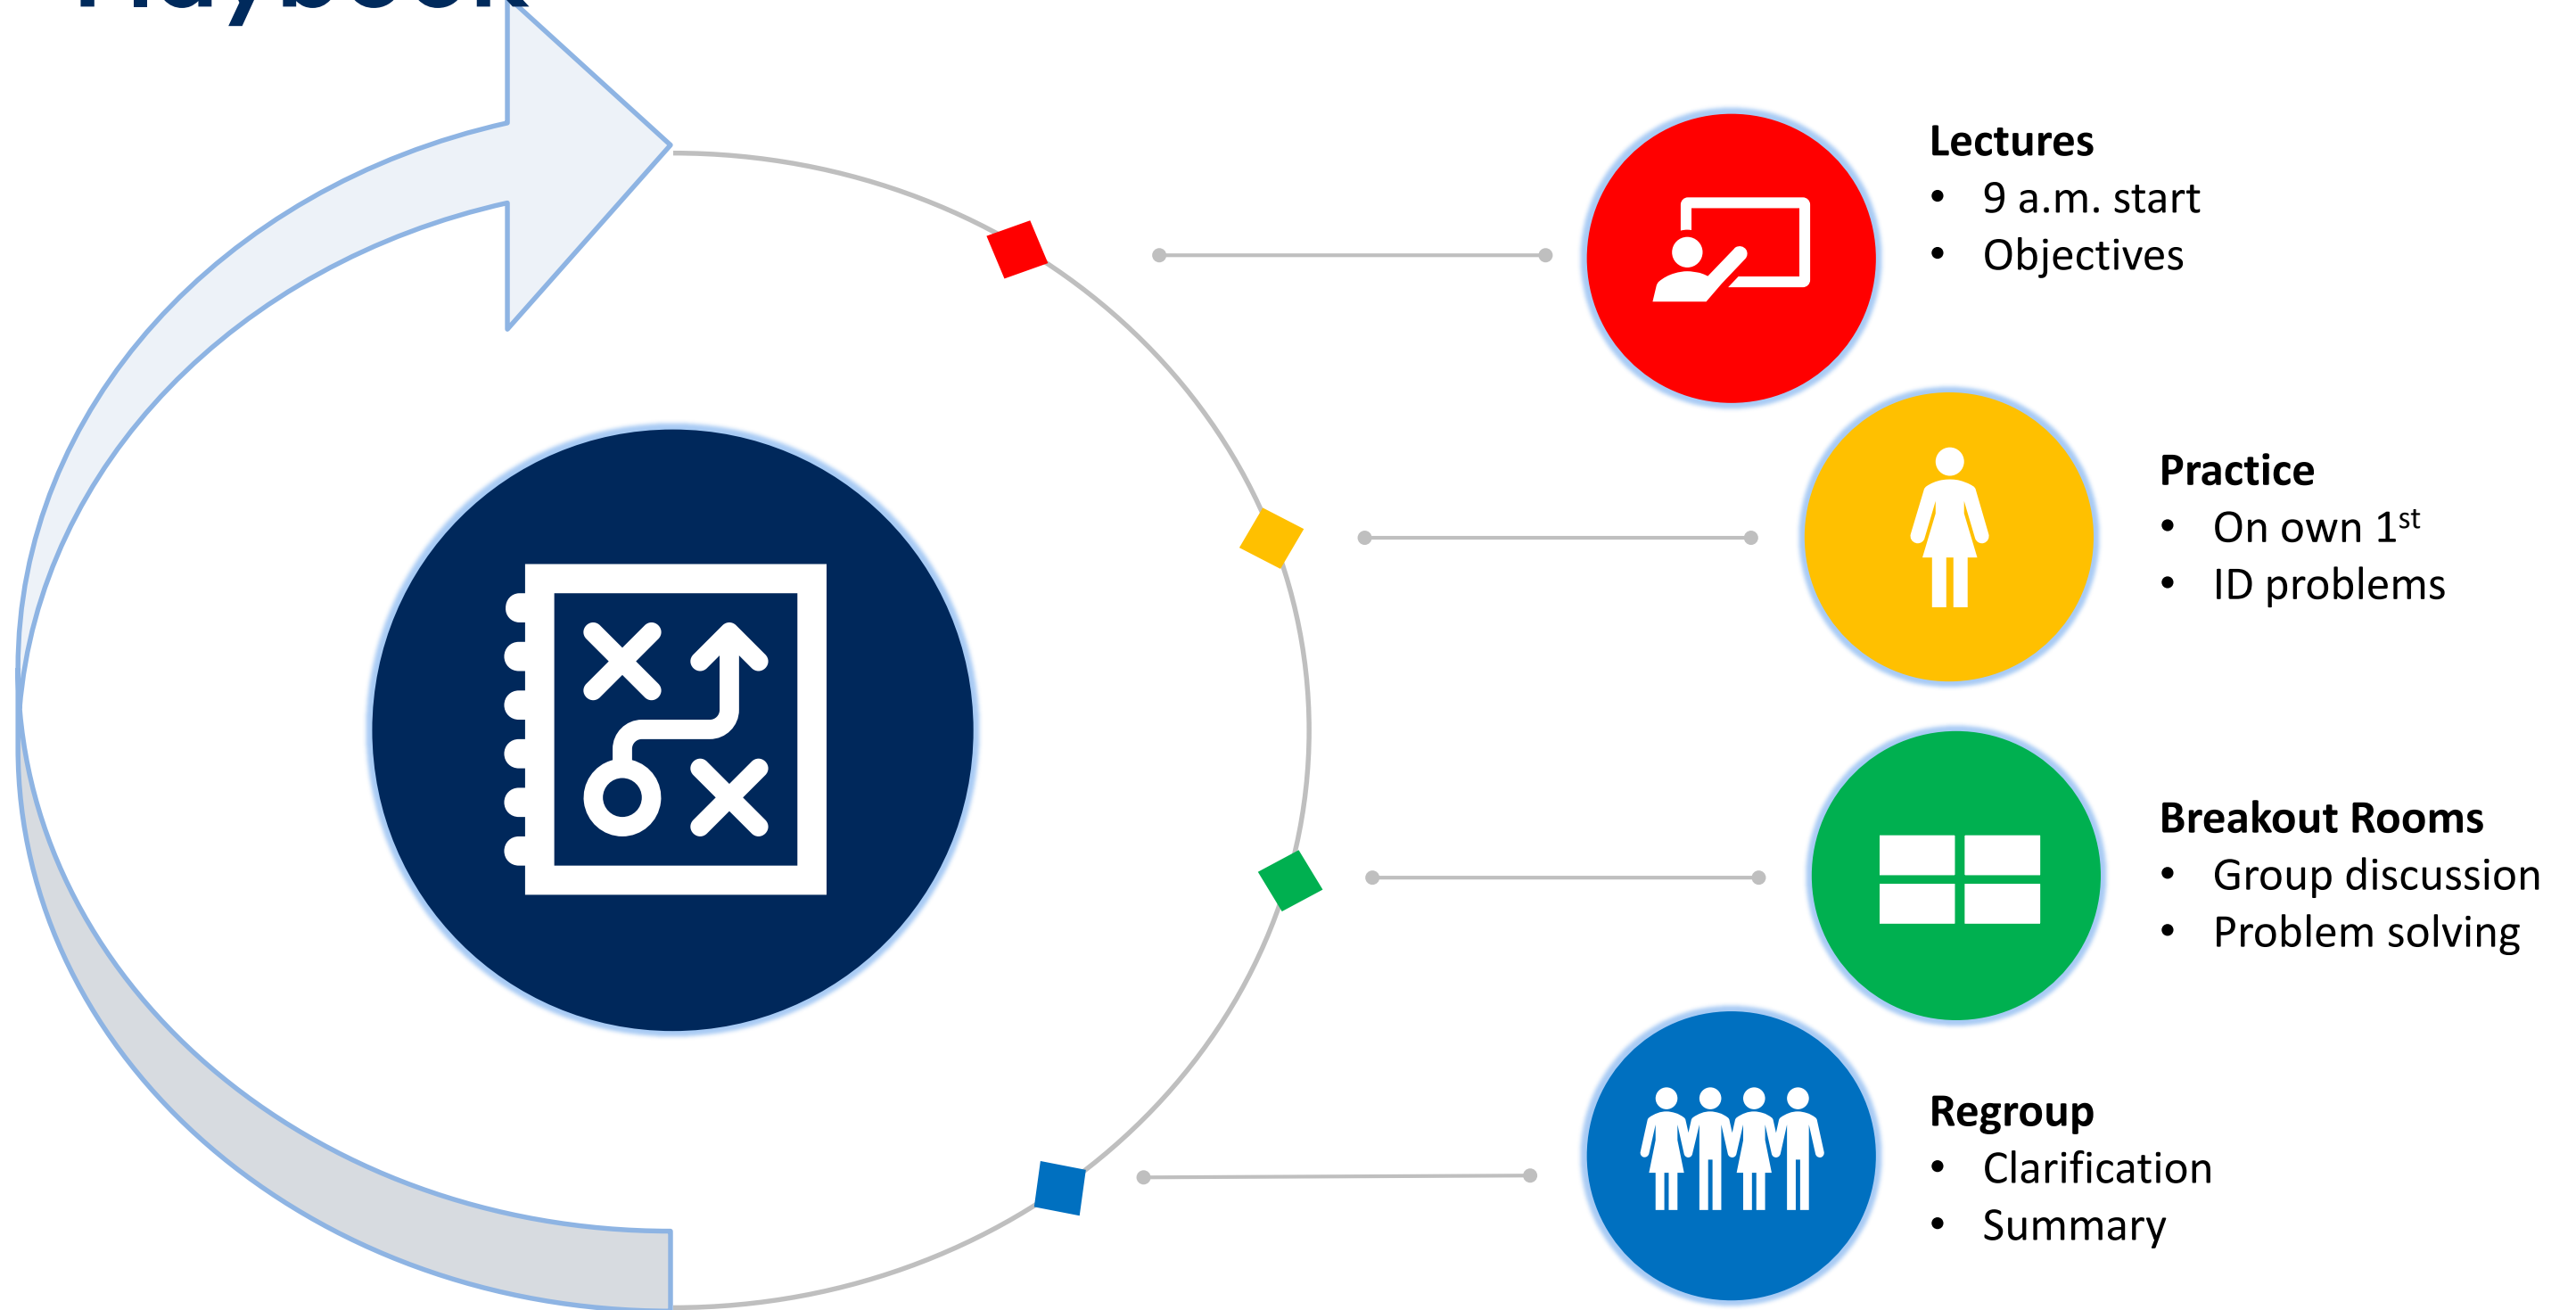

- Lectures were broken into short segments
 - Segments <10 minutes
 - Short summaries & introductions
 - PowerPoint slides with voice-over
 - Enabled more 1-1 time

Zoom

- Decision not to use for recordings
- Students required additional software to view

Playbook

Worked Well

01

Pre-recorded Lectures

- Students were able to pause
- Students were able to view/review at convenient time
- Enabled students to work at own pace

02

Breakout Rooms

- Students found extremely helpful
- Problem-solved together
- Decreased feeling of isolation

03

Daily Assessments

- Extended to midnight each day
- Enabled me to test comprehension/application
- Provided real-time feedback

04

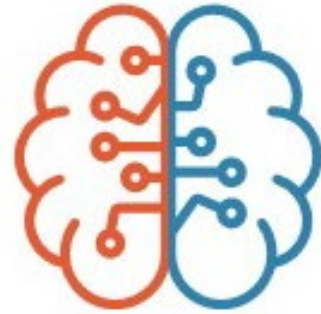

Video Cameras

- Encouraged student use
- Most used by the end (more personal)
- Allowed visual cues (if confused)

Challenges & Solutions

Challenges

Solutions

- Zoom group pre-assignment
- Zoom video freeze/drop

- New Mac OS Glitches
- File storage & viewing jpegs (quizzes)

- Timed assessments increased anxiety

- Accommodations

- Use BB Collaborate to generate list
- Assign co-host

- IT support & troubleshoot
- Upload PDFs to modules – reference it

- Increased amount of time allotted

- Adjust under 'Moderate This Quiz'
