

# Research Continuity for Master's and Doctoral Students in Response to COVID-19 Disruption

May 15

The School of Graduate Studies is sharing with you guiding principles for Graduate Research Continuity Planning during COVID-19. In the documents below, we also outline potential mitigation strategies to address research disruptions and impeded academic progress by graduate students. (An implementation document for graduate administrators will follow soon).

Sincerely,

Joshua Barker  
Dean, School of Graduate Studies and  
Vice-Provost, Graduate Research and Education
