Registration

- ❖ Fees are assessed and billed to student accounts in late July.
 - Logon to ACORN to review and print your invoice – ‘Financial Account’
- ❖ PhD students in the Funded Cohort should defer their fees in ACORN. This will allow you to become *Registered* without making a fee payment.
- ❖ Your fees are due when billed. The deferral allows you to become registered and delays service charges to the end of the Winter term.
 - Fee payments are made at your financial institution
 - It is the student’s responsibility to ensure all fees (tuition, incidentals, other charges) are paid before the end of the Winter session - **April 30**
- ❖ Service charges begin to accrue on outstanding balances:
 - If fees have been deferred: May 15th
 - If fees have NOT been deferred: October 15th

A red arrow points to the 'Tuition Fee Deferral' link in the 'FINANCES' section.
