## Dear Students,

To assist you in planning for the upcoming academic year, below are significant dates and deadlines related to graduate awards, scholarships, bursaries, fellowships and prizes. The list reflects the current award timelines and may be subject to change. The award announcements posted periodically will serve as the official notification for all award competitions

We encourage you to familiarize yourselves with these deadlines and ensure that your complete application packages are submitted to the Graduate Office in a timely manner.

Doctoral students who are successful in the federal or provincial award competitions or have been able to secure funding from other sources are encouraged to visit the <u>Academic Policies</u> webpage to learn about the resultant adjustments to their funding packages.

## 2020-21 Awards & Bursaries Important Dates and Deadlines

	August 30, 2021	SGS Summer Gym Bursary: Application closes for students

## **Important Reminders**

- Award announcements are distributed approximately 3-4 weeks prior to the posted application deadline. Carefully read the application instructions and criteria on the award announcement as well as the agency's website and only apply if you are eligible. Start your application early and give yourself plenty of time to collect required documents (transcripts and reference letters).
- Awards where academic merit is a requirement: Applicants must have achieved at least an A- (80%, 3.7/4.0, 7.0/9) or equivalent in **each** of the last two completed years of studies, full-time equivalent (unless specified otherwise) **or** if the student has completed two years of graduate studies at the time of application, the student must only demonstrate an overall average of at least A- (or equivalent) on all graduate courses completed. If marks used for calculating an applicant's grade point average (GPA) are not available (for example, courses were graded on a pass-fail basis), then the next most recent available undergraduate or graduate marks are used to determine eligibility.
- Transcripts: Original official up-to-date transcripts must be provided (no ACORN/ROSI printouts). Scanned original transcripts from the student's admission file are accepted (especially those from a foreign institution). For official transcripts in languages other than French or English, please include the official certified transcript translation with the application. Official e-transcripts are acceptable but any encryption may need to be removed

before uploading or combining with other transcript files. Students may use freely available PDF software such as Adobe Acrobat Reader to "print to PDF" in order to remove the encryption.

**COVID-19 Allowances for Transcripts**: If an official transcript cannot be obtained, the applicant must provide a letter from the institution's transcript office which states that the institution is not able to provide an official transcript at this time along with an unofficial version of the transcript. Each award announcement will include a description of what is acceptable for transcripts and students must abide by the requirements. Submission of an application will continue to serve as a formal attestation that the applicant has provided true, complete, and accurate information in the application and its related documents.

• Applicants are responsible for reviewing the award criteria and ensuring that they have met all the eligibility requirements and adhered to the scholarship application guidelines. Students are responsible for ensuring that their application is complete. Late or incomplete applications will NOT be accepted.

## **Financial Aid and Counselling**

Financial counsellors are available at SGS to provide information and direction on various financial aid programs and assist in many aspects of managing educational expenses including planning a budget, debt load management, etc. If you wish to book an appointment with a Financial Advisor, email your completed Financial Advising Intake Form to sgs.financial.assistance@utoronto.ca.

You must have the following documentation handy for your meeting:

- a copy of your annual funding letter from your graduate unit,
- a budget or list of expenses and financial resources,
- OSAP and/or other loan assessments,
- any other documents related to your debts, unexpected expenses and available resources.

Visit this webpage for more details.
