Dalla Lana School of Public Health

Application Information Session

January 7, 2021

Land Acknowledgement

We would like to acknowledge the traditional territories of the Mississauga of the New Credit First Nation, Anishnawbe, Wendat, Huron, and Haudenosaunee Indigenous Peoples on which the Dalla Lana School of Public Health now stands.

The territory was the subject of the Dish With One Spoon Wampum Belt Covenant, an agreement between the Iroquois Confederacy and Confederacy of the Ojibwe and allied nations to peaceably share and care for the resources around the Great Lakes. We would also like to pay our respects to all our ancestors and to our present Elders.

Applying to DLSPH

- Applicants may only make one application to one field of study within a degree program. Please review the [program descriptions](#) carefully and/or consult the appropriate Program Director for advice before you make your final decision.

- Each program has different admission criteria and you should be certain of the degree and field in which you are interested and eligible. If you select the wrong Program or Degree Program by mistake, you may create a new application, with another application fee payment. However, if you select the wrong Field of Study and have proceeded to the application payment, you will not be able to go back to make changes. In addition, you will not be allowed to create a second application for a new Field of Study in the same Degree Program. Before you make your application payment, please make sure you have selected the correct Field of Study.
