

EXECUTIVE COURSE IN GLOBAL HEALTH DIPLOMACY

In partnership with the
Office of International Affairs for the Health Portfolio, Government of Canada
& Graduate Institute Geneva - Global Health Centre

COURSE DESCRIPTION

Now more than ever, professionals working in health and health-related fields are required to interact and negotiate across many sectors of society to tackle a range of important health issues.

- This course explores a wide range of issues in global health diplomacy, with an emphasis on current affairs and urgent global health issues
- Participants learn about the dynamics of global health negotiations
- Participants engage in discussions, case studies and simulations to improve negotiation skills.

OUR LEARNERS

“The course was a great learning experience for me, and a unique opportunity to connect with some of the foremost experts and practitioners in the fields of global health, international law and diplomacy

”I learned a good deal about the Canadian Public Health System, and Canada's role in contemporary global health governance issues. This knowledge gives me a better appreciation of Canada's global health priorities...

~ Minister - Counsellor for Global Health | Ghana
Permanent Mission in Geneva

”

This course is designed for working professionals interested in expanding their knowledge in global health and foreign policy.

While this course is aimed towards those working in health or health-related sectors, individuals working in other cross-disciplines such as international relations, economics, management, and security will gain a unique perspective in global health that will help advance their careers in the global health field.

COURSE CO-DIRECTORS

Garry Aslanyan
Adjunct Professor, DLSPH
Manager, Partnership & Governance, TDR, WHO

Erica Di Ruggiero
Associate Professor, DLSPH
Director, Centre for Global Health, DLSPH

“How do you get an idea on the agenda so that it sticks? There are some very overt strategies to negotiate, persuade or influence. [This] course is about having a better understanding of the different players and their roles, and how to reach them.”

~Dr. Erica Di Ruggiero, Associate Professor, DLSPH & Director, Centre for Global Health, DLSPH
