Leslie Dan Faculty of Pharmacy
University of Toronto

JOB POSTING – POSTDOCTORAL FELLOW

Area of Research: Health Services Research, Patient Reported Outcome Measures

Description of duties:
We are seeking an outstanding Post-doctoral Fellow to join our research team. The Post-doctoral Fellow will mainly work on the development of a patient-reported outcome measure on medication-related quality of life for persons with mobility limitations. The Post-doctoral Fellow will have opportunities to contribute to other research projects on self-management of medications and transitions in care for populations with multimorbidity and disability. The ideal candidate will have a strong qualitative methods background and experience with health services research and mixed-methods. The candidate will have the opportunity to build their publication portfolio, mentor trainees, and collaborate with colleagues across disciplines and research/hospital institutions. The Post-doctoral Fellow will work under the mentorship of Dr. Sara Guilcher, Associate Professor at the Leslie Dan Faculty of Pharmacy.

Salary: $50,000 - $55,000 per annum

Required qualifications:
The successful candidate must have a PhD in a relevant field such as health services and policy, psychology, social work, epidemiology, or biostatistics. The candidate should have expertise in qualitative methods and excellent communication skills. Experience with measurement, and mixed-methods are considered strong assets. The candidate must have obtained their PhD within 5 years of the start date.

Application instructions
All individuals interested in this position must submit a cover letter, curriculum vitae, names of 3 references, and two sample publications to guilcher.lab@utoronto.ca by the closing date. Only those invited for an interview will be contacted.

Closing date: April 1, 2022

Supervisor: Dr. Sara Guilcher

Expected start date: May 2022 (negotiable)

Term: 12 months

FTE: 1.0
The normal hours of work are 40 hours per week for a full-time Post-doctoral Fellow (pro-rated for those holding a partial appointment) recognizing that the needs of the employee’s research and training and the needs of the supervisor’s research program may require flexibility in the performance of the employee’s duties and hours of work.

Employment as a Post-doctoral Fellow at the University of Toronto is covered by the terms of the CUPE 3902 Unit 5 Collective Agreement.

This job is posted in accordance with the CUPE 3902 Unit 5 Collective Agreement.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.
