Land Acknowledgement

We wish to acknowledge this land on which the University of Toronto operates. For thousands of years it has been the traditional land of the Huron-Wendat, the Seneca, and most recently, the Mississaugas of the Credit River. Today, this meeting place is still the home to many Indigenous people from across Turtle Island and we are grateful to work on this land together.

  - Fee payments should be made at your financial institution
  - Option to pay via ACORN using your credit card (service charges apply)
  - It is the student’s responsibility to ensure all fees (tuition, incidentals, other charges) are paid before the end of the Winter session - April 30, after which service charges begin to accrue starting May 15th
