Master’s Orientation 2022

Graduate Department of Public Health Sciences

Registration and Enrolment
Land Acknowledgement

We wish to acknowledge this land on which the University of Toronto operates. For thousands of years it has been the traditional land of the Huron-Wendat, the Seneca, and most recently, the Mississaugas of the Credit River. Today, this meeting place is still the home to many Indigenous people from across Turtle Island and we are grateful to work on this land together.

Tuition Fee Deferral
Course Enrolment

- Determine your program requirements
  - CHL5004H: Introduction to Public Health Sciences (MPH, MSc and MScCH are automatically enrolled)
  - program specific courses - information on website regarding program requirements
  - talk to your Program Director

- Review Timetable posted on the website:
  [http://www.dlsph.utoronto.ca/students/current-students/timetables/](http://www.dlsph.utoronto.ca/students/current-students/timetables/)

- Logon to ACORN to add your courses
  - PHS course enrolments made in ACORN are processed as Approved, while non-PHS courses are given Requested status and must be approved by the Graduate Office. Graduate Office staff receive notifications and are regularly approving course enrolment requests throughout the enrolment period (Aug 3-Sept 26) so there is no need for students to contact the Graduate Office to follow-up on course enrolments with Requested status. Please be patient.
  - If you use the Enrolment Cart to select your courses, BE SURE to click on ENROL to request your courses when enrolment opens on August 3rd.

- To enrol in non-PHS courses
  - Try to request the course in ACORN
  - If you receive an error message, contact host department for instructions/permission; complete and submit Add/Drop form

- Your courses will appear in Quercus (UofT Learning Management Engine) the day after Approved status is obtained.

**NOTE:** MHSc Bioethics students are pre-enrolled in their program-required courses
