

1 Temporary Full-Time Pharmacy Manager (1 year term)

POSITION SUMMARY:

Management of the Pharmacy while on duty, including providing consultation to both customers and health care providers, practice to full scope in providing professional services, dispensing medication, and assisting in the maintenance and daily operations of the dispensary.

DUTIES & RESPONSIBILITIES:

- Pharmacy and Customer Service including answering phones, receiving verbal orders from other health care providers, processing prescription pickup at cash
- Acknowledge all customers approaching the Pharmacy in friendly and professional demeanor
- Practice within federal/provincial, regulatory/legal requirements
- Ensure all privacy requirements are met, including customer confidentiality and consent management
- Provide counselling on prescriptions, over the counter/behind the counter products
- Practice to full extent of expanded scope with Professional Services, within your capability
- Be clearly identifiable to the public
- Process, adjudicate, and dispense medications ensuring accuracy and appropriateness of all prescriptions received
- Communicate with other health care professionals within the circle of care to provide customer care
- Maintain all records required in accordance with legislation, standards of practice, and policy

Workflow and Inventory Management:

- Control access to the dispensary with respect to inventory and patient confidentiality
- Review and maintain Workflow Queues on a daily basis
- Regular review of 'will call' bins, in accordance with established Standard Operating Procedures
- Review of stock to identify expired inventory
- Oversight of current stock levels and medication orders from wholesaler
- Ensure all requirements for documentation and control of substances under the Controlled Drugs and Substances Act and Regulations are met and reporting to Health Canada and regulatory bodies

Operations:

- Ensure entry/pickup workstations, counselling/waiting areas, and work islands reflect an appropriate image of the Pharmacy

- Involvement with financial reports as appropriate
- File incident reports when any customer or staff medication or privacy incidents occur

Experience, Skills & Qualifications:

- Independent thinking and critical decision making skills; work well under pressure with ability to manage changing priorities while maintaining professional demeanour
- Commitment to providing exceptional customer service
- Strong problem-solving skills including experience formulating and executing action plans
- Strong personal computing skills and knowledge of Pharmacy systems essential
- Ensure all Health & Safety procedures are followed to provide a healthy and safe work environment
- Complete mandatory training and voluntary continuing education workshops, as needed
