

Summer 2026 Information Sessions & Orientation Events for Students, Hosted by Accessibility Services

These events are for undergraduate and graduate students entering any post-secondary program in Canada, who either identify as living with a disability or suspect they may have a disability.

Information Sessions

- A series of six virtual information sessions
- Held during July and August
- Each session lasts 1.5 hours

Orientation

- Provides an in-depth overview of Accessibility Services
- In-person campus tour, social opportunities, and presentations from campus support services
- Delivered as a hybrid event
- Students are strongly encouraged to attend in person
