Division of Biostatistics MSc Thesis Proposal & Supervisory Committee Composition Form

This form is to be submitted to the Division of Biostatistics by email (biostat.dlsph@utoronto.ca) to indicate the composition of your MSc Thesis Supervisory Committee. A **Thesis Proposal** (3-5 pages) must accompany this form and detail the following sections: (i) Background, (ii) Objectives, (iii) Materials & Methods and (vi) Bibliography

SECTION 1: STUDENT INFORMATION

Name:	Student Number:
Email Address:	Program of study:
Signature:	Date:

SECTION 2: SUPERVISORY COMMITTEE MEMBERSHIP

An MSc Supervisory Committee is to consist of at least two (2) faculty members to a maximum of three (3) faculty members; normally, a Supervisor and one or two Committee Members. The **Supervisor and Co-Supervisor** must have a faculty appointment in the student's Division of study within Public Health Sciences (PHS), and must hold either *Full* or *Associate Graduate Faculty membership* with SGS. Other members must also hold either *Associate* or *Full* SGS membership.

Name	Email address	Signature
Supervisor: _____	_____	_____
Co-Supervisor: _____ (if applicable)	_____	_____
Committee Members:		
1. _____	_____	_____
2. _____	_____	_____

In signing this form, Supervisor(s) and Committee Members understand the responsibilities involved as described in the [University of Toronto's School of Graduate Studies Graduate Supervision Handbook](#).
