

Master's Orientation 2026

Graduate Department of
Public Health Sciences

Registration and Enrolment

Land Acknowledgement

The Dalla Lana School of Public Health wishes to acknowledge this land on which the University of Toronto operates. For thousands of years, it has been the traditional land of the Wendat Nation, the Seneca, and the Mississaugas of the Credit. Today, this meeting place is still the home to many Indigenous people from across Turtle Island and we are grateful to have the opportunity to work on this land.

Course Enrolment

- ❖ Determine your program requirements
 - CHL5004H: Introduction to Public Health Sciences
 - program specific courses - information on website regarding [program requirements](#)
 - talk to your Program Director
- ❖ Review Timetable posted on the website:
<http://www.dlsph.utoronto.ca/students/current-students/timetables/>
- ❖ Logon to ACORN to add your courses
 - PHS course enrolments made in ACORN are processed as *Approved*, while non-PHS courses are given *Requested* status and must be approved by the Graduate Office. Graduate Office staff receive notifications and are regularly approving course enrolment requests throughout the enrolment period (Aug 5-Sept 23) so there is no need for students to contact the Graduate Office to follow-up on course enrolments with *Requested* status. *Please be patient*.
 - If you use the *Enrolment Cart* to select your courses, BE SURE to click on ENROL to request your courses when enrolment opens on August 5th.
- ❖ To enrol in non-PHS courses
 - Try to request the course in ACORN
 - If you receive an error message, contact host department for instructions/permission; complete and submit [Add/Drop form](#)
- ❖ Your courses will appear in Quercus (UofT Learning Management Engine) the day after *Approved* status is obtained.

NOTE: MHSc Bioethics students are pre-enrolled in their program-required courses
